## APPOINTMENT OF PROXY FORM

---

One/member

### PURPOSE OF THIS FORM

The purpose of an appointment of proxy form is for a member to delegate their voting power to another Society member when they themselves are unable to vote in person. The person that is appointed is called a “proxy” and the person designating him or her is called a “principal”. The proxy has the full voting privileges and so it is important that the principal communicate his or her wishes regarding voting to the person appointed as a proxy. (Definition adapted from Wikipedia.)

### HOW TO USE THIS FORM

1. Contact a member who will attend the Annual General Meeting in person and who you trust to vote on your behalf on all matters (including matters that may not be on the agenda).
2. Complete this form, including the name of your proxy (as your agent). Date and sign in the “Member Signature” section below.
3. Ensure that membership status is valid for both yourself and the person that you are appointing as your proxy.
4. Submit the completed form to the registration table PRIOR to the membership meeting.
