

SCS 2nd Annual Middle Years Volleyball Tournament October 25th, 2024

Teams will have 3 minutes to warm up followed by a 25-minute match. The team with the highest score wins. Volleyball rules will be followed but players will be allowed one step into the service area (we will have seating surrounding the courts that will make it more difficult for the players to serve) and players can serve a maximum of five serves in a row. The finals will be two sets. Team with the most points wins the tournament.
